

Did this course meet your expectations? Yes. I've taken CPR several times + this was
the best - most engaging, most relevant, most practice time.

What were the positive aspects of the course? Lots of hands-on time; various
scenarios; fast pace

What could we do to improve the program? More practice time w/ the defibrillator
monitors

What did you think of the instructors? 

Would you recommend this course to others? Yes!

What other programs would you like to see us offer? Close to or IN Civil, Wilderness
First Responder

Thank You!

Did this course meet your expectations?

The course did meet and exceed my expectations. I thought it was very thorough, and I liked that we had to go around and experience different scenarios to be better prepared if an actual issue does arise.

What were the positive aspects of the course?

I thought that the information, as well as the packet, was very comprehensive, and I thought that getting to repeatedly practice going through the different steps was very helpful.

What could we do to improve the program?

I thought that it was very good, and I don't know of any way to improve it.

What did you think of the instructors?

I thought the instructor was well informed and a very good teacher.

Would you recommend this course to others?

I would recommend this course!

What other programs would you like to see us offer?

I can't think of any programs that are not already offered.

Thank You!

Did this course meet your expectations?

Definitely. ~~I think~~ This class exceeded my expectations and any other trainings I had before.

What were the positive aspects of the course?

Very hands on and informative. I love how interactive it is and Matt is extremely knowledgeable.

What could we do to improve the program?

Not sure 😊 It was great

What did you think of the instructors?

Awesome; super great at the skills and at teaching them.

Would you recommend this course to others?

For sure. This would be the #1 class I would recommend to anyone even slightly interested.

What other programs would you like to see us offer? in CPR.

I'm not sure, since so many are offered I'm not 100% sure what there isn't.

Thank You!

Did this course meet your expectations?

I did not really have any expectations as this was my first time, but I learned adult/child/infant CPR seizes,

What were the positive aspects of the course?

Not watching a video, learning both adult and child, engaging instructor, low cost

What could we do to improve the program?

More scenarios to practice and scenarios with children, not just infant/adult?

What did you think of the instructors?

Matt is an engaging instructor and is patient + understanding

Would you recommend this course to others?

Yes, depending on location

What other programs would you like to see us offer?

More programs in the Metro DC area?

Thank You!

EVAL2, updated

Did this course meet your expectations?

yes, it exceeded them — I got to do a lot of hands on practice compared to the CPR certification course I took in ^{high school} health class

What were the positive aspects of the course?

- lots of hands on practice
- great instruction
- good examples/situations that could happen in real world

What could we do to improve the program?

honestly nothing immediately comes to mind

What did you think of the instructors?

He was great! Very informed on heart's function & reasons behind each step in CPR/choking/etc.

He was also very engaging and entertaining

Would you recommend this course to others?

yes I would!

What other programs would you like to see us offer?

none come to mind, the wilderness first aid sounds great!

Thank You!
