SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations?

yes & then some

What were the positive aspects of the course? Realistic scenarios;
thorough explanation of content; xtra explanation of ^{body} systems beyond
necessary content; clear outline of materials for quick referral

What could we do to improve the program?

Perhaps cover more content 1st couple days, while we're fresher. it seemed
some content was a little pushed the last couple days. -- was still well organized presentation.

What did you think of the instructor?

Matt Rozetsky was very thorough, friendly & approachable. Was available
outside of classtime for assistance, if requested

Would you recommend this course to others?

definitely

What other programs would you like to see us offer?

OEC - don't know if you do.

Thank You!

SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations?

Yes it did.

What were the positive aspects of the course?

many scenarios, that challenged me
At every Aspect of case giving.

What could we do to improve the program?

The 8 day course is a little fast
to get All the info but just by a little.

What did you think of the instructors?

Very Sharp & effective. Also knowledgable.

Would you recommend this course to others?

yes very much so.

What other programs would you like to see us offer?

maybe ~~a~~ Rescue leadership program of some sort?

Thank You!

EVAL2 wptwin

SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations?

It was wonderful and went over the topics I expected to and the scenarios were often and welcome.

What were the positive aspects of the course?

We had a tight community and a lot of opportunity to practice our skills

What could we do to improve the program?

Seems like more time is needed for the amount of information presented in class...

What did you think of the instructors?

Fun and informative!

Would you recommend this course to others?

Yes, definitely!

What other programs would you like to see us offer?

Not sure...

Thank You!

SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations?

Exceeded. I learned so much. I was scared to take this - afraid of overload or intensity. And I hate acronyms, but somehow I retained most.

What were the positive aspects of the course?

The instructor. The repeat - practice - repeat model.

Encouraging only pertinent stories + questions ← HUGE IN STAYING ON TRACK!

What could we do to improve the program?

More scenarios w/ people outside of the class

Better bone, distortion props! Also, considerations for those of us / the public that can't afford pricey gear... working bare bone is possible

What did you think of the instructors?

Matt was phenomenal. Patient, knowledgeable and willing to give us break as needed and also to focus when we needed to cover ground.

Would you recommend this course to others?

Certainly, and I'd recommend our instructor.

What other programs would you like to see us offer?

Terrain specific courses like Amazon or arctic WFR!

Thank You!

SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations?

Absolutely! Went above and beyond. I learned a lot more than I thought my
human could in a week.

What were the positive aspects of the course?

Teaching. Matt Rodsky was accomodating, knowledgeable, and appropriately
related. The location was also great! (TMC) The scenarios are also great for

What could we do to improve the program?

Can't think of any thing

What did you think of the instructors?

Att. Matt said.

Would you recommend this course to others?

Definitely. More people should take the time to be safe outside

What other programs would you like to see us offer?

Swiss water relief

Thank You!
