SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations?

EXCEEDED THEM! I'D HEARD SOLO WAS A STEP ABOVE, AND THIS WAS TOTALLY CORRECT!  
MY FORMER WFA THROUGH NOLS, WHILE NICE, WAS NOT NEARLY AS IN-DEPTH. I FEEL BETTER PREPARED THROUGH SOLO.

What were the positive aspects of the course?

FANTASTIC INSTRUCTION, GREAT PACING, SNACKS (!!! AS SIMPLE COMFORT THAT REALLY HELPS)  
HAPPY & GENTLE TEACHING STYLE

What could we do to improve the program?

NOT SURE! IT WAS A WELL-OILED MACHINE, AND VERY DETAILED.

What did you think of the instructors?

MATT WAS EXACTLY WHO I NEEDED TO TEACH THIS. POSITIVE, GENTLE, AND KNOWLEDGEABLE.

Would you recommend this course to others?

WITHOUT A DOUBT IN MY MIND. IT WAS GREAT!

What other programs would you like to see us offer?

MAYBE A SKI MOUNTAINEERING COURSE?

N/A

Thank You!
