

SOLO COURSE EVALUATION

COURSE NAME: WFA YOUR NAME _____
LOCATION: Experience Learning (OPTIONAL)
DATE: 8/23/20

SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations?

Exceeded

What were the positive aspects of the course?

Well structured, clear agenda, well delivered with on topic, professional demeanor

What could we do to improve the program?

Remind participants that this is more thorough than other options (20hr vs 16hr)

What did you think of the instructors?

Excellent - when the instructor was too stern he later addressed it with the participant 😊

Would you recommend this course to others?

yes, 100%

What other programs would you like to see us offer?

• Coronavirus Safety Precautions Comments; safe learning experience?

Thank You!

EVAL2. vptwin

The protocols for C-19 were clearly stated and fully enforced. Excellent!

SOLO COURSE EVALUATION

COURSE NAME: WFA YOUR NAME: David Clark
LOCATION: Experience Learning (OPTIONAL)
DATE: 23 AUG 2020

SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations? *IT ACTUALLY exceeded my expectations by creating more curiosity to learn about wilderness emergency medicine. I am recommending to my peers and colleagues*

What were the positive aspects of the course? *MATT'S INSTRUCTOR STYLE IS FIRST-RATE, COUPLED WITH THE "HANDS-ON" PORTION, LESSONS WERE STRENGTHENED. THE OPPORTUNITY TO MAKE MISTAKES WAS CRITICAL RESULTING IN POSITIVE LEARNING*

What could we do to improve the program?

IN THIS TIME OF COVID-19, MATT LED A DAUNTING EFFORT IN DIFFICULT TIMES SUCCESSFULLY. THE USE OF MANNEQUINS WAS UNIQUE AND LED TO BEING GOOD TRAINING AIDS.

What did you think of the instructors?

Matt was knowledgeable in the subject matter. He was encouraging, thoughtful and prompt. Ms Anna, Matt's demonstrator was phenomenal

Would you recommend this course to others? *I would highly recommend this course to anyone that works, plays or lives in the outdoors. The knowledge, skills and abilities attained are "real-world" and something that can be used by anyone.*

What other programs would you like to see us offer? *Personally I would like a pair of classes that differentiate between "First Aid" and "Trauma" First Aid. Regardless This and other SOLO Curriculum are sufficient*
• Coronavirus Safety Precaution comments; safe learning experience!

Thank You!

DATE: 8-23-20

SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations?

Yes

What were the positive aspects of the course?

I really liked learning how and why things happen, it helps me understand how to treat injuries.

What could we do to improve the program?

~~I don't know~~ I found it amazing how much info could be fit into 2 days. It seemed very well put together.

What did you think of the instructors?

Very energetic and a good teacher, and a nice guy.

Would you recommend this course to others?

Yes

What other programs would you like to see us offer?

Coronavirus Safety Precautions comments, safe learning experience!

Thank You!
EVAL2. wpm

The precautions and rules were very thorough, scientific, and I thought were very safe.

Did this course meet your expectations?

100% yes! Thorough

I think I learned more than expected.

What were the positive aspects of the course? Schedule outline w/ breaks indicated ^{great support}

→ practice scenarios were paramount to putting into practice the concepts/skills introduced in the classroom and building muscle memory

What could we do to improve the program? The COVID19 info presented was highly informative and essential to everyone

While there is a lot of information to cover

and the pace was fast, do not cut out any

What did you think of the instructors? Also, writing info out on the board was

Energetic! Professional!

Articulate! Informative.

provided great feedback

Would you recommend this course to others?

Absolutely

helpful for visual learners and to give us time to process info.

understanding the importance of protection practices on-site throughout the weekend but also moving forward in our daily lives.

I can call! help! "

What other programs would you like to see us offer?

→ A sidenote/add on regarding interacting w/ individuals with a disability, particular

• Coronavirus Safety Precautions comments; safe learning experience? Autism

Thank You!

See above

yes, very pleased w/ precautions

SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations? Yes. Extremely thorough.

What were the positive aspects of the course? I liked the 'zen' moments to visualize the PAS steps, repeatedly. I appreciated the clear expectations you provided + the "reasons" behind the tx steps.
What could we do to improve the program?

It would have helped me to talk through a scenario with shock or brain (last day lab topic).

What did you think of the instructors? Knowledgeable. Well informed. Effort put in to class apparent

Would you recommend this course to others? Yes.

What other programs would you like to see us offer?

• Coronavirus Safety Precautions comments; safe learning experience?

Did this course meet your expectations?

yes! ~~exceeded~~ I actually learned more than I expected.

What were the positive aspects of the course?

I Learned a lot of useful information and new skills.
I also learned why things in the body are happening so I

What could we do to improve the program? Could better treat them,
Maybe one ~~extra~~ extra or longer bathroom break
given the distance to the bathroom. I wouldn't mind staying ~~until~~ until 7:30 for a longer break

What did you think of the instructors?

Matt was an excellent instructor and fully covered every topic.

Would you recommend this course to others?

yes absolutely. It is a wonderful skill to have.
